

**IMPORTANT- THIS COMMUNICATION AFFECTS YOUR PROPERTY**

**TOWN AND COUNTRY PLANNING ACT 1990 (“the 1990 Act”)**

**ENFORCEMENT NOTICE – MATERIAL CHANGE OF USE**

Issued by: EAST HAMPSHIRE DISTRICT COUNCIL (“the Council”) on behalf of the South Downs National Park Authority

**1. ENFORCEMENT NOTICE**

**THIS NOTICE** is issued by the Council because it appears that there has been a breach of planning control, within paragraph (b) of section 171A(1) of the 1990 Act, at the Land. It is considered expedient to issue this notice, having regard to the provisions of the development plan and to all other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

**2. THE LAND TO WHICH THE NOTICE RELATES**

Land at Land east of New Barn Farm Lane, Blendworth, Hampshire, shown edged red on the attached plan (“the Land”).

**3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission and within the last 10 years, the stationing of caravans and a motor home for the purpose of human occupation and the use of a stable building as a utility room.

**4. REASONS FOR ISSUING THIS NOTICE**

1. The Site lies in a rural area, outside a settlement boundary in an area where the occupiers are dependent upon private means of transport. The location is unsustainable because of its remoteness from the settlements of Horndean and Waterlooville and away from public transport links. The retention of the use as a gypsy site would therefore increase vehicular traffic to and from the locality. As such the use is contrary to policies SD19, SD25, and SD33 of the South Downs Local Plan (2014-33), Paragraph 26 of the Planning policy for traveller sites (2024), and the aims and objectives of the National Planning Policy Framework (2024).

2. The use of the land to station caravans, a motorhome and motor vehicles for residential occupation has resulted in the laying of an extensive area of hardstanding that is at odds with the countryside location and adjacent equestrian use. Together with the use of a stable building as a utility room and the introduction of residential

activity, belongings and artificial lighting, the use has an urbanising and detrimental impact upon the rural landscape and the local character and appearance of the area. As such, the development fails to conserve and enhance the landscape character and appearance of the South Downs National Park and has an adverse impact upon the dark night skies and tranquillity of the area. The development therefore conflicts with policies SD4, SD5, SD7 and SD8 of the South Downs Local Plan (2014-33), the core purposes of the National Park and the aims and objectives of the National Planning Policy Framework (2024).

6. The development is situated within the catchment area of the European protected Solent Complex (SPA, SAC and Ramsar sites), wherein additional residential accommodation is likely to increase the level of nitrates entering groundwater sources to the detriment of the natural environment and water supply. No information has been provided to demonstrate that this can be mitigated. Hence the use is contrary to the requirements of Policies SD10 and SD17 of the South Downs Local Plan (2014-33), the Conservation of Habitat and Species Regulations 2017, and the aims and objectives of the National Planning Policy Framework (2024).

## **5. WHAT YOU ARE REQUIRED TO DO**

You must:

- i. Discontinue the residential use of the land.
- ii. Remove all caravans and motor home(s) from the land.
- iii. Discontinue the use of the stable building, outlined in blue in the approximate position shown on the attached plan, and remove from within it all domestic, personal and residential items including white appliances, furnishings, sink(s), shower, shower tray and associated plumbing.
- iv. Break up the hard surface area hatched black in the approximate position shown on the attached plan.
- v. On completion of step (4) above remove all resulting debris from the land including hard core, aggregates, stones and membrane fabric from the area hatched black marked in the approximate position on the attached plan
- vi. On completion of steps (1) to (4) restore the land to grassed paddock.

## **6. TIME FOR COMPLIANCE**

The period for compliance with the steps set out in paragraph 5 is **8 [eight] months** from the date this notice takes effect.

## **7. WHEN THIS NOTICE TAKES EFFECT**

This notice takes effect on 13 February 2026 unless an appeal is made against it beforehand.

Dated: 16 January 2026 (**Date of issue**)

  - (b) the paragraph of section 171A(1) within which, in the opinion of the authority, the breach falls.
- (2) A notice complies with subsection (1)(a) if it enables any person on whom a copy of it is served to know what those matters are.

- (3) An enforcement notice shall specify the steps which the authority require to be taken, or the activities which the authority require to cease, in order to achieve, wholly or partly, any of the following purposes.
- (4) Those purposes are--
  - (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land, by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
  - (b) remedying any injury to amenity which has been caused by the breach.
- (5) An enforcement notice may, for example, require--
  - (a) the alteration or removal of any buildings or works;
  - (b) the carrying out of any building or other operations;
  - (c) any activity on the land not to be carried on except to the extent specified in the notice; or
  - (d) the contour of a deposit of refuse or waste materials on land to be modified by altering the gradient or gradients of its sides.
- (6) Where an enforcement notice is issued in respect of a breach of planning control consisting of demolition of a building, the notice may require the construction of a building (in this section referred to as a "replacement building") which, subject to subsection (7), is as similar as possible to the demolished building.
- (7) A replacement building--
  - (a) must comply with any requirement imposed by any enactment applicable to the construction of buildings;
  - (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control;
  - (c) must comply with any regulations made for the purposes of this subsection (including regulations modifying paragraphs (a) and (b)).
- (8) An enforcement notice shall specify the date on which it is to take effect and, subject to sections 175(4) and 289(4A), shall take effect on that date.
- (9) An enforcement notice shall specify the period at the end of which any steps are required to have been taken or any activities are required to have ceased and may specify different periods for different steps or activities; and, where different periods apply to different steps or activities, references in this Part to the period for compliance with an enforcement notice, in relation to any step or activity, are to the period at the end of which the step is required to have been taken or the activity is required to have ceased.
- (10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.

- (11) Where--
- (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to cease, but does not do so; and
  - (b) all the requirements of the notice have been complied with,

then, so far as the notice did not so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

- (12) Where--
- (a) an enforcement notice requires the construction of a replacement building; and
  - (b) all the requirements of the notice with respect to that construction have been complied with,

planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.

#### **174 Appeal against enforcement notice**

- (1) A person having an interest in the land to which an enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice, whether or not a copy of it has been served on him.
- (2) An appeal may be brought on any of the following grounds—
  - (a) that, in respect of any breach of planning control which may be constituted by the matters stated in the notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged;
  - (b) that those matters have not occurred;
  - (c) that those matters (if they occurred) do not constitute a breach of planning control;
  - (d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
  - (e) that copies of the enforcement notice were not served as required by section 172;
  - (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case

- may be, to remedy any injury to amenity which has been caused by any such breach;
- (g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.
- (2A) An appeal may not be brought on the ground specified in subsection (2)(a) if—
- (a) the land to which the enforcement notice relates is in England, and
- (b) the enforcement notice was issued at a time—
- (i) after the making of a related application for planning permission, but
- (ii) before the end of the period applicable under [section 78\(2\)](#) in the case of that application.
- (2B) An application for planning permission for the development of any land is, for the purposes of subsection (2A), related to an enforcement notice if granting planning permission for the development would involve granting planning permission in respect of the matters specified in the enforcement notice as constituting a breach of planning control.
- (2C) Where any breach of planning control constituted by the matters stated in the notice relates to relevant demolition (within the meaning of [section 196D](#)), an appeal may also be brought on the grounds that—
- (a) the relevant demolition was urgently necessary in the interests of safety or health;
- (b) it was not practicable to secure safety or health by works of repair or works for affording temporary support or shelter; and
- (c) the relevant demolition was the minimum measure necessary.
- (2D) An appeal against an enforcement notice may not be brought on the ground that planning permission ought to be granted in respect of a breach of planning control constituted by a matter stated in the notice, as specified in subsection (2)(a), if—
- (a) the land to which the enforcement notice relates is in Wales, and
- (b) the enforcement notice was issued after a decision to refuse planning permission for a related development was upheld on an appeal under [section 78](#) (and for this purpose development is “related” if granting planning permission for it would involve granting planning permission in respect of the matter concerned).
- (2E) An appeal may not be brought on the ground that a condition or limitation ought to be discharged, as specified in subsection (2)(a), if—
- (a) the land to which the enforcement notice relates is in Wales, and
- (b) the enforcement notice was issued after a decision to grant planning permission subject to the condition or limitation was upheld on an appeal under [section 78](#).
- (2F) For the purposes of subsections (2D) and (2E), references to a decision that has been upheld on an appeal include references to a decision in respect of which—

- (a) the Welsh Ministers have, under [section 79\(6\)](#), declined to determine an appeal or to proceed with the determination of an appeal;
  - (b) an appeal has been dismissed under [section 79\(6A\)](#).
- (3) An appeal under this section shall be made—
- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect; or
  - (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date; or
  - (c) by sending such notice to him using electronic communications at such time that, in the ordinary course of transmission, it would be delivered to him before that date.
- (4) A person who gives notice under subsection (3) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing—
- (a) specifying the grounds on which he is appealing against the enforcement notice; and
  - (b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) In this section “relevant occupier” means a person who—
- (a) on the date on which the enforcement notice is issued occupies the land to which the notice relates by virtue of a licence; and
  - (b) continues so to occupy the land when the appeal is brought
