

List of called in applications for the week ending 06.04.2020

SDNP/20/00903/FUL

Amendment of the ground source heat pump layout, relating to the erection of a bespoke Glasshouse and the creation of a new formal garden, along with the removal of the existing tennis court and Orchid House. At Woolbeding Gardens , Woolbeding Lane, Woolbeding, GU29 9RR

Validation Date: 2 April 2020

Date of Direction: 28 February 2020

Reason for the Direction

The proposals relate to works within the non-designated historic parkland of Woolbeding House and within the setting of the Grade I listed Woolbeding House, Grade I listed church, Grade II listed walled garden, Grade II listed stables, Conservation Area.

The application relates to planning permission SDNP/18/05744/FUL which was originally called in by the SDNPA. The proposals therefore have the potential to be of significance in terms of the conservation and enhancement of the historic environment of the South Downs National Park, part of the first purpose of designation of the National Park. For reasons above and for consistency, the SDNPA also propose to call in this application.
