WALKS ON THE SOUTH downs way
BY BUS AND TRAIN

SOUTH downs national park
As Britain’s newest National Park the South Downs offers you rolling hills, picturesque villages, ancient woodland, crystal clear rivers and the iconic Seven Sisters cliffs. Running the entire length of this beautiful National Park is the undulating South Downs Way.

This 100 mile (160km) route follows old tracks and drove ways along the ridge of the chalk Downs; from the cathedral city of Winchester in the west to the seaside town of Eastbourne in the east.

The distinctive chalk and flint route is easy to follow and usually firm under foot. You’ll enjoy wide open views north over the Weald and south to the English Channel. Discover hidden churches, cosy pubs and, as the seasons change, everything from bluebells to blackberries.

The Trail, which is free of stiles, is well signposted with the National Trail acorn symbol, but it’s useful to have a map too so you can track your progress. The entire length of the South Downs Way can be accessed by bus and train (and just one taxi) at convenient intervals, so we’ve put together this booklet of 12 spectacular walks.

Let the adventure begin as you leave the car at home and soak up beautiful views on the journey. Walk a satisfying one-way intervals, so we’ve put together this booklet of 12 spectacular walks.

Walks are graded on the following scale:

1 MODERATE – possible loose, uneven and muddy surface with gates, stiles and moderate inclines. Routes up to five miles in length.

2 ENERGETIC – all the above, plus steeper inclines and routes up to seven miles in length.

3 CHALLENGING – all the above on routes of seven miles or more.

MAKE A WEEKEND OF IT

Bus and train are great for a two day walk along the South Downs Way without having to go back and pick up the car. Any of the walks in this guide can be joined together to make up a longer trip with overnight stops. Here are just a few suggestions:

1 Housedean Farm – Southease – Alfriston  14 miles
- **Grade:** ENERGETIC
- **Day one:** Catch the 28/29 bus from Brighton, Lewes, Uckfield or Tunbridge Wells to Housedean Farm. If arriving from Brighton, walk east, crossing the farm bridge over the A27 and joining the South Downs Way. If arriving from Lewes, simply turn left and join the South Downs Way. Head east to Southease (7 miles) and stay at the YHA South Downs. If you are planning a longer trip there is also a campsite at Housedean Farm.
- **Day two:** Continue along the South Downs Way by crossing over the footbridge and heading east along the South Downs Way to Alfriston (7 miles). On arrival why not relax in one of the many pubs and cafés before catching either the no.125 bus to Lewes, or the no.126 to Berwick and then the train to Lewes.

2 Eastbourne – Alfriston – Eastbourne  19 miles
- **Grade:** CHALLENGING
- **Day one:** Catch the bus or train to Eastbourne. Head towards the seafront and join the South Downs Way footpath (coastal route) heading west past Beachy Head and the Seven Sisters to Alfriston (10.5 miles). Stay overnight in one of Alfriston’s many B&Bs, hotels or pubs.
- **Day two:** Cross back over the bridge from Alfriston and head east on the South Downs Way bridleway (inland route) via the Long Man of Wilmington and Jevington back to Eastbourne (8.5 miles).

3 Pyecombe – Truleigh Hill – Washington  14.5 miles
- **Grade:** ENERGETIC
- **Day one:** Catch the 270/271/272/273 bus from Brighton, Burgess Hill or Haywards Heath to Pyecombe. Walk westbound through Pyecombe village, past the 11th century church and use the bridge to cross the road (A23). Follow the South Downs Way to your overnight stay at the YHA at Truleigh Hill. Lunch options en-route include the Hiker’s Rest at Saddlescombe Farm or the pub at Devil’s Dyke (5.5 miles).
- **Day two:** Walk westbound to Washington via the River Adur and Chanctonbury Ring (9 miles) and catch the number 100 bus back to Burgess Hill and beyond or, the number 1 bus between Worthing and Midhurst or, the number 23 between Crawley and Worthing.

4 East Meon – Exton – Cheriton  15 miles
- **Grade:** ENERGETIC
- **Day one:** Catch the number 67 (not Sundays) bus from Winchester or Petersfield to East Meon. Walk south, out of the village along Chapel Street which becomes Coombe Road. Follow Coombe Road as it turns westward and then south again. 200m after the southern (left) bend, take the public footpath on the right. Follow the footpath westward, past the farm to the South Downs Way heading west to Exton (7 miles) where there is a choice of B&Bs (see below).
- **Day two:** Head west on the South Downs Way Footpath route to Gander Down via Beacon Hill, then take the sign posted turn to Cheriton (8 miles) where you can enjoy locally brewed beer in the Flowerpots Inn before catching the number 67 bus (not Sundays) back to Winchester.

**Exton**
There is no public transport serving the South Downs Way around Exton (in Hampshire) so here are some B&Bs and taxis available in the area:
- **Corhampton Lane Farm** corhamptonlanefarm.co.uk
- **Manor House** extonbedandbreakfast.com
- **Buck’s Head Meonstoke** thebuckshead.co.uk
