### Summary

**Start:** Brighton

**Finish:** Brighton

With your Discovery ticket, you're free to explore everything the South Downs National Park area and beyond has to offer by bus.

**Devil's Dyke** is a legendary beauty spot on the South Downs Way. Only five miles north of Brighton it offers amazing views over the Weald and over the English Channel. The mile long Dyke valley is the longest, deepest and widest dry valley in the UK and the legend goes that the Devil dug this chasm to drown the parishioners of the Weald.

It also happens to be one of the most popular spots in the country to watch hang gliders riding thermal air currents in the skies above.

From Devil's Dyke, there is a pleasant walk to the National Trust **Saddlescombe Farm** (moderate walk, 1.5 miles, 1-1.5hrs) over hilly banks carpeted with flowers and teeming with insects past the dewponds and an old donkey wheel.

Why not stop for a lunchtime snack at the **Hiker's Rest café** before walking back to have a drink at the **Devil's Dyke pub**. Then take the bus back to Brighton.

Brighton boasts beautiful historic lanes and why not take a walk on Brighton's famous pebbled beach before enjoying all the excitement of the funfair on Brighton Pier.
