Fernhurst Neighbourhood Development Plan: Receipt of Plan Proposal (Regulation 15 of the Neighbourhood Planning (General) Regulations 2012)

Submission of Neighbourhood Development Plan for independent examination

Dear Mr Bleach,

Thank you for submitting the Fernhurst Neighbourhood Development Plan to South Downs National Park Authority on 25 April 2014.

As you will be aware, there is no requirement for the Local Planning Authority to formally assess the Plan against the Basic Conditions for neighbourhood plans at the point of submission. However, the Local Planning Authority is required to undertake a number of procedural checks at this time. This letter sets out these checks and explains how the submission of the Fernhurst neighbourhood plan has met the statutory requirements.

Please find in **Appendix I** acknowledgement of all the documents received as part of this submission. I would like to kindly ask that you check this list in case of any errors. We will, in due course, provide this suite of documents to the appointed neighbourhood plan examiner.

I would like to take this opportunity to confirm the intended publicity period for the Plan. This is scheduled to run from Friday 2 May to Friday 13 June 2014 (23:59 hours). It will be the Local Planning Authority's responsibility to arrange publicity for the consultation and notify interested parties. We will contact you during the week to discuss methods of raising awareness of the consultation within the parish.

Responses during the publicity period will be collated using the Authority's consultation software. This follows its recent successful application for the South Downs National Park: Options Consultation Document. A public notice advertising the consultation event will be booked in the local press (Midhurst and Petworth Observer).

Yours Sincerely,

ANDREW TRIGGS
