1. Summary and Background

- 1.1 This report sets out proposed changes arising from the annual review of the Authority's Standing Orders.
- 1.2 The annual review of Standing Orders is a requirement of the Authority's Code of Corporate Governance and is undertaken by the Head of Governance and Monitoring Officer, based on the application of Standing Orders throughout the year.
- 1.3 In addition the report seeks delegation to make consequential amendments to policies that make up the Authority's policy framework required as a result of the organisational restructure.

2. Standing Orders Review

- 2.1 In undertaking a review of Standing Orders the following changes are proposed:

P8, 8.5	To introduce wording to clarify arrangements for if the Chair and deputy chair of a committee are absent from a meeting	Clarification
PI6, 26.4	To insert additional wording to clarify the role of members appointed to outside bodies in relation to any legal obligations arising from their appointment	Clarification

Update.
P's37&38	To reflect changes to the delegations to senior officers as a result of the implementation of the organisation restructure.	Update

2.2 A revised Standing Orders document incorporating the proposed changes is attached at **appendix I** (the changes are highlighted within this document).

3. Policy Framework Updates

3.1 Following the implementation of the new staff structure it has become necessary to review the whole of the organisation's policy framework, to ensure that the policy framework accurately reflects the updated delegations of authority to Officers.

3.2 It is recommended that authority be delegated to the Monitoring Officer to make any consequential amendments to the policy framework required as a result of the organisational restructure and updated delegations of authority, and to republish the amended policies as the Monitoring Officer considers appropriate.

3.3 Where it is necessary to make changes to policies that go beyond existing delegations to officers, these proposed changes will be reported to the appropriate decision making body for approval.

4. Sustainable Communities Fund

4.1 Following the organisational restructure it is necessary to amend the terms of reference for the Sustainable Communities fund Grant Panel so that powers in relation to grant funding, appointments to the Panel and appointment of Chair of the Panel are taken by the Director of Countryside and Policy Management, as there will no longer be a Director of Corporate Services role within the organisation.

5. Appointment of Independent Person

5.1 Under the 2011 Localism Act the Authority is required to appoint an Independent person whose views must be sought before the Authority can reach a decisions on an allegation under investigation.

5.2 The Authority's Independent Person, Graham Ault, was appointed by the Authority in December 2012, for a period of four years, which ends in December 2016.

5.3 Previously Standards and Audit Committee over saw this process and made a recommendation to the Authority as to who should be appointed, following an open and competitive recruitment process. It is proposed that Governance committee will now undertake this role.

5.4 For the avoidance of doubt the current independent person will be eligible to seek reappointment to this role should he so wish.

3. Public Participation at Meetings of the Planning Committee

The South Downs National Park Authority (SDNPA) has been the local planning authority for the South Downs National Park (SDNP) from 1 April 2011. The SDNPA is responsible for planning across the entire National Park and agreed partnerships with the Local Authorities operating within the National Park boundary. For five of these, the SDNPA deals directly with all planning questions, advice and applications. The other nine Local Authorities

deal with these matters on the SDNPA's behalf, however some of the more significant decisions may also be made by the SDNPA Planning Committee

This protocol provides an opportunity for public representations to be made to the Planning Committee in relation to those planning matters that it determines. Decisions on other applications will be made by the constituent local authorities and all 15 SDNP local authorities have their own public speaking schemes. You may, therefore, wish to make representations to the appropriate local authority on such applications. The SDNPA can provide advice on the appropriate determining authority on a case by case basis.

What is Public Speaking at the Planning Committee?

The SDNPA Planning Committee is a meeting held in public. The purpose of the committee is for the committee members to debate and decide the matters on the agenda. The SDNPA's invitation to speak at its Planning Committee provides an opportunity for members of the public to directly address the committee with issues of concern to them.

All aspects of public speaking at SDNPA Planning Committee meetings are subject to the discretion of the Planning Committee Chair. Normally, a maximum of six public speakers may be invited to speak on each planning application or related matter on the agenda (a maximum of three in support and three against). This number includes the applicants and/or their agents. Each speaker will be allowed up to three minutes to speak. Multiple agenda items related to a single site are considered to be a single subject, and therefore public speakers may address the committee once, regardless of how many agenda items the matter comprises.

What matters can I speak on?

You can ask to speak on any planning application that the SDNPA is proposing to determine and on any other matters that are being considered by the Committee. This might include its views on any potential enforcement action or matters relating to the development of planning policy or related supplementary advice.

You can only speak on items that are on the agenda of the meeting at which you ask to speak. You should not attempt to surprise the Committee with new information, photographs or additional written material. This should have already been given to the planning officers in time for them to evaluate it professionally. Where possible, this should be at least 7 days before the meeting so that officers and Members have adequate time to properly consider it.

Who can speak at the Planning Committee?

To speak at an SDNPA Planning Committee you should normally have made written representations on the planning matter in question and you should notify the SDNPA beforehand, so please let the SDNPA know that you wish to speak, as soon as possible. You may approach a local Parish, Town, District, Unitary or County Councillor to speak on your behalf, if you prefer.

The people who can speak at the Planning Committee, and the order in which they will be invited to speak, are:

- Up to three individuals or group representatives, including any County, Unitary, District, Town or Parish Council representatives, who are opposing the application.
- Up to three individuals or group representatives, including any County, Unitary, District, Town or Parish Council representatives, who are supporting the application. This includes the applicant or agents, who have the right of reply to any points made.
- Any other Member of the South Downs National Park Authority (not time limited)

If more than three individuals or representatives wish to raise similar points, then they will be asked to agree amongst themselves who should speak on their behalf. If necessary, the Chair of the Planning Committee will make any final decision on which members of the public may speak on an issue. The Chair may use his/her discretion to increase the number of people who may speak.

How will I know if and when the item I am interested in is going to Committee?

If you are interested in a planning matter within the SDNP and you are considering making representations to the SDNPA about it, you should first approach the relevant local authority, and establish whether it has been referred to the SDNPA for determination. If it has, you should then contact the SDNPA to establish whether the matter is being reported to the SDNPA Planning Committee, and if so, when it is to be considered.

The Member Services Team has details of all future Planning Committee dates and 8 days before the Committee will know which items are to be included on the agenda. Details of forthcoming meeting dates and agenda and minutes can be found on our website.

Copies of reports are normally available on our website at least 7 days before the meeting or they can be obtained from the Member Services Officer. In addition, a copy of the agenda for the meeting can be posted to speakers, on written request.

How do I register my interest in speaking?

You will need to telephone or email the Member Services Officer on **01730 814810** no later than 12 noon, 3 working days before the meeting. (if the meeting is held on a Thursday, this would be 12 noon the previous Monday). The email address is as follows: planning.committee.speaking@southdowns.gov.uk

When you call or email, please be ready to provide:

- Your name, address and daytime telephone number (and email address, if available)
- The application number and details of the proposed development to which it refers or details of the other matters that you wish to speak about
- Confirmation of whether you wish to speak in support or against an application or other matter
- Confirmation of whether you are representing yourself or anyone else
- Confirmation that we can provide your details to other people also wishing to speak so that you can agree who will speak, in the event of their being more than 3 potential speakers.
- Details of any special access or other arrangements that you may require.

What if I am unable to turn up on the day?

You may nominate a substitute, giving details to the Member Services Officer by no later than 4.00pm on the last working day before the Planning Committee meeting.

Arriving at the Planning Committee meeting

If you are invited to speak to the Planning Committee, then you should arrive at the appropriate venue at least 15 minutes before the meeting begins. A member of the SDNPA staff will be there to meet you and to explain the procedures.

What will happen in the meeting?

The Chair will ask the appropriate officer to introduce and, if necessary, update the report. Each speaker will then be allowed up to three minutes to address the Committee about the proposal or matter in question.

Late Representations

All members of the public have the opportunity to make representations on planning applications during the consultation phase.

If a member of the public wishes to make any comments on an application after the consultation phase has closed, these should be sent to the case officer dealing with the application as soon as possible before the date of the planning committee meeting so that the information may be professionally considered and evaluated. It cannot be guaranteed that information sent directly to Members within short time frames of meetings will be considered by the Planning Committee.

Good practice on speaking at Planning Committee

Please read the appropriate report carefully before deciding what you want to say. The Committee Members will have read the report and you do not need to repeat report contents at the meeting. What you can add is information on points you have submitted that you may feel are missing from or are not adequately covered in the report - or you might wish to make a particular emphasis that you feel is not being adequately made. Some points to consider are:

- The Committee will listen to what you say, **but will not debate your opinions with you**
- The Chair will invite you to start speaking and your three minutes will be timed by the Member Services Officer
- Concentrate on explaining the points that you (or the group you are representing) have already made in writing and what the most important of those are
- You should not attempt to surprise the Committee with new information, photographs or additional written material. This should have already been given to the SDNPA planning officers in time for them to evaluate it professionally. Where possible, this should be at least 7 days before the meeting
- The Planning Committee can and will only consider a planning application or other planning matters on what are sound and proper planning grounds
- You should not discuss the applicant's past behaviour, nor speculate about what you think their possible future intentions may be
- You may not discuss boundary disputes, covenants, reduction in property values or matters dealt with by other law (e.g. licensing).

What happens after I have spoken?

After public speaking is complete, the Planning Committee will consider the application or other matter. This will normally be debated in public **and there will be no further opportunities for non committee members to speak.**

2. Discussion of a Motion or Amendment

A motion or amendment shall not be discussed unless it has been proposed and seconded. Where the agenda item contains a recommendation, it shall be deemed at the commencement of the debate on that item that the recommendation has been formally moved by the Chair and seconded, and any subsequent motion shall be treated as an amendment thereto. Unless notice has already been given in accordance with Standing Order 13, the Chair may require the matter to be put into writing and handed to the Chair before it is further discussed or put to the meeting.

3. Seconder's Speech

When seconding a motion or amendment, a Member may reserve his/her right to speak until later in the debate by declaring his/her intention to do so.

4. Speaking in Debate

A Member when speaking shall address the Chair. If two or more Members indicate a wish to speak, the Chair shall call one to speak; the other or others shall then await their opportunity to speak. While a Member is speaking the other Members shall refrain from speaking unless raising a point of order.

5. Content and Length of Speeches

A Member shall direct his/her speech to the question under discussion or to a personal explanation or to a point of order. A Member shall not be entitled to read a prepared speech, but may refresh his/her memory by reference to short notes. No speech may exceed three minutes except with the consent of the Chair.

- (b) if the motion has been amended since he/she last spoke, to move a further amendment;

- (d) in exercise of a right of reply;
- (e) on a point of order or by way of personal explanation.

7. Amendments to Motions

An amendment shall be relevant to the motion and shall be either:

- (a) to leave out words; or
- (b) to insert or add words; or
- (c) to leave out words and insert or add others;

But such omission, insertion or addition of words shall not have the effect of negating the motion before the Authority, or introducing a substantially new proposal.

8. Discussion of Amendments

Only one amendment may be moved and discussed at a time. No further amendment shall be moved until the amendment under discussion has been disposed of, but notice of further amendments may be given.

The Chair may permit two or more amendments to be discussed together (but not voted on together) if he is of the opinion that this course would facilitate the proper conduct of Authority business.

9. Further Amendments

If an amendment is not carried, other amendments may be moved on the original motion. If an amendment is carried, the motion as amended shall take the place of the original motion and shall become the motion upon which any further amendment may be moved.

The mover and seconder of a motion or an amendment not carried by the Authority shall not be entitled to move any further amendment to the same or similar effect at that meeting on the question under discussion.

10. Withdrawal of Motion or Amendment

A motion or amendment may be withdrawn by the mover with the consent of the seconder and of the Authority, which shall be signified without discussion, and no Member may speak upon the amendment after the mover has asked permission for its withdrawal, unless such permission has been refused.

11. Right of Reply

The mover of a motion has a right of reply at the close of the debate on the motion, immediately before it is put to the vote. The reply shall be strictly confined to answering previous speakers and shall not introduce any new matters into the debate. - (b) on a motion that the question be now put, unless in the Chair's opinion the matter before the meeting has been insufficiently discussed, the Chair shall first put to the vote the motion that the question be now put, and if it is passed then give the mover of the original motion their right of reply before putting the motion to the vote
- (c) on a motion to adjourn the debate or the meeting, if in the Chair's opinion the matter before the meeting has not been sufficiently discussed and cannot reasonably be sufficiently discussed on that occasion the Chair shall put the adjournment motion to the vote without giving the mover of the original motion a right of reply on that occasion.
