

Plumpton Neighbourhood Development Plan

The Neighbourhood Planning (General) Regulations 2012 (as amended)

Regulation 18 – Publication of the examiner’s report and plan proposal decisions

Decision Statement - January 2018

1. Introduction

1.1 Under the Town and Country Planning Act 1990 (as amended), Lewes District Council has a statutory duty to support and advise communities in the preparation of neighbourhood development plans and to take such plans through the process of examination, referendum and adoption. The Localism Act 2011 (Part 6 chapter 3) sets out the Local Planning Authority’s responsibilities under Neighbourhood Planning.

1.2 This statement confirms that the modifications proposed in the Examiner’s Report have been accepted, the draft Plumpton Neighbourhood Development Plan consequently amended; and that this plan may now proceed to referendum.

2. Background

2.1 The Plumpton Neighbourhood Area, covering the entire Parish, corresponds with the Plumpton Parish Council boundary which lies partly within Lewes District and partly within the South Downs National Park. The Neighbourhood Area was designated by Lewes District Council and the South Downs National Park Authority in 2014. Lewes District Council and the South Downs National Park Authority have an agreement in place to determine which authority provides the support in parishes straddling both planning authorities. This agreement confirms that support will be given by the planning authority where the main centre of population is based and so, as Plumpton Green is located outside of the National Park, the decision was made that Lewes District Council would assume responsibility.

2.2 The Plumpton Neighbourhood Plan was submitted to Lewes District Council in September 2017. The Regulation 16 consultation took place between October and November 2017 whereby the Plan was publicised and representations were invited on the Plan.

2.3 Mr Nigel McGurk was appointed by Lewes District Council and the South Downs National Park Authority, with the approval of the Parish Council, to undertake the examination of the Plumpton Neighbourhood Development Plan and to prepare a report of the independent examination.

2.4 The Examiner's Report concluded that subject to a series of modifications, the Plan met the basic conditions set out in the legislation and should proceed to a Neighbourhood Planning referendum.

3. Decision

3.1 The Neighbourhood Planning (General) Regulations 2012 (as amended) require the local planning authorities to outline what actions they will take in response to the recommendations in an Examiner's report made under paragraph 10 of Schedule 4A to the 1990 Act (as applied by Section 38A of the 2004 Act) in relation to a Neighbourhood Development Plan.

3.2 Having considered each of the recommendations made in the Examiner's Report, and the reasons for them, Lewes District Council and the South Downs National Park Authority in consultation with Plumpton Parish Council has decided to accept the modifications to ensure that the Plan meets the basic conditions set out in legislation.

3.3 Table 1 outlines the alterations made to the draft plan under paragraph 12(6) of Schedule 4B to the 1990 Act (as applied by Section 38A of 2004 Act) in response to each of the Examiner's recommendations and the justification for this.

3.4 Table 2 details additional minor modifications to correct mistakes, update information for accuracy and align the Plan with the Examiner's recommendations. These changes have been agreed with the Neighbourhood Planning Officer of Lewes District Council. Lewes District Council is confident that these minor variances do not impact on the Plan meeting the basic conditions.

4. Conclusion

4.1 The Independent Examiner recommended that, subject to the modifications proposed, the Plumpton Neighbourhood Plan should proceed to referendum. Lewes District Council and the South Downs National Park Authority are therefore satisfied that the Plumpton Neighbourhood Plan meets the basic conditions mentioned in paragraph 8(2) of Schedule 4B to the Town and Country Planning Act and complies with the provisions made by or under sections 38A and 38B of the Planning and Compulsory Purchase Act 2004. Therefore, the Neighbourhood Plan can proceed to referendum.

4.2 The Independent Examiner considered the neighbourhood area, as defined on 28th April 2014 by Lewes District Council and the South Downs National Park Authority, to be appropriate for the purposes of holding a referendum. Lewes District Council and the South Downs National Park Authority have taken account of this advice; therefore the neighbourhood area is the same as the referendum area.

4.3 The referendum is due to be held on 8th March 2018 which poses the following question:

'Do you want Lewes District Council and the South Downs National Park Authority to use the neighbourhood plan for Plumpton Parish to help it decide planning applications in the neighbourhood area?'
