Siting and fixing of five livestock feed silos

(NOTE: Application "called-in" by South Downs National Park Authority for determination)

At Land Opposite Annington House, Annington Road, Bramber, West Sussex

**Validation Date:** 13 February 2013

**Date of Direction:** 5 March 2013

#### **Reason for the Direction**

The South Downs National Park Authority propose to determine the above application because the development, in this visually sensitive location close to the South Downs Way, has the potential to have a significant impact on the natural beauty of the South Downs National Park and on the promotion of opportunities for the understanding and enjoyment of the special qualities of the Park by the public and the first and second purposes of designation.

Alterations and additions to the Forge building including the provision of living accommodation in new first floor, provision of covered area to rear (amended plans 20th July and 2nd September 2015)

At The Forge , High Street, East Meon, Petersfield, GU32 1QD

**Validation Date:** 14 October 2013

**Date of Direction:** 1 December 2014

#### **Reason for the Direction**

This is an 'exceptional case' as stated in the Approved Judgment by the High Court in R (East Meon Forge & Cricket) v. East Hampshire DC & Ors [2014] EWHC 3543 (Admin) paragraph 80 which allowed the judicial review claim and the above planning permission was quashed (31 October 2014). This was the third attempt to apply for planning permission. The first was previously withdrawn in March 2013, the second application was granted by East Hampshire District Council on our behalf, but quashed by consent on 22 April 2014 in the claimant's first claim for judicial review. On 23 June 2014 an injunction was served to restrain interested parties from carrying out development before the judicial review claim had been determined.

The proposal relates to a non-designated but important heritage asset and is situated within the East Meon Conservation Area. The rear of the building backs onto the village recreational ground used for cricket purposes. Given the unique circumstances and history of the site, the SDNPA considers it appropriate to determine or deal with the application itself.
