Robert

I now have confirmation from Rogate Parish Council that they wish their representation to be removed from the examination. I will delete the representation at this end, please discard at your end. I will also remove reference to this in the summary or reps.

I will now arrange for all representations to be sent to Liss Parish Council.

Kind regards
chris

Chris

I refer to my email of 10 February 2017 in which I lodged a representation on behalf of Rogate Parish Council with regard to Policy Liss 11 Residential Development in the Countryside to the effect that: Rogate Parish Council therefore requests a variation of the Liss Neighbourhood Development Plan policy to enable and allow a development site for four houses on the north side of London Road in Rake as defined in the Rogate and Rake Neighbourhood Development Plan.

Rogate Parish Councillors met with Liss Parish NDP Team and established that the four houses in the proposed development on London Road, Rake would be wholly within Rogate Parish and therefore not contravene Policy Liss 11 Residential Development in the Countryside.

As a result Rogate Parish Council now wishes to withdraw the the representation and I would be grateful if you would let the Liss NDP Examiner know.

Regards

Steve Williamson
Chairman Rogate Parish Council
