**(Regulation 25)**

This statement is published in line with S.213 of the Planning Act (2008) and Regulation 25 of the Community Infrastructure Levy Regulations (2010), as amended.

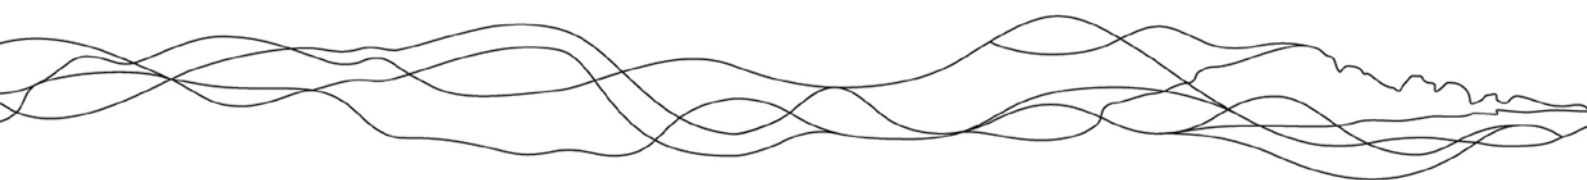

South Downs National Park Authority hereby gives notice that our Charging Schedule has been approved on 31 January 2017, and will come into force on 01 April 2017. The Charging Schedule shall remain in effect unless further notice is issued in line with Regulation 28.

The Community Infrastructure Levy is a new charge that South Downs National Park Authority will be able to collect on new developments in their area. It is based on a formula relating to the type and size of development and is collected when planning permissions for new developments are granted. The funds will contribute to the cost of infrastructure within South Downs National Park.

The CIL Charging Schedule was the subject of an independent examination on 15 June 2016 by Nigel Payne BSC (HONS) DIPTP MRTPI MCMI, appointed by the Secretary of State for Communities and Local Government.
