

Applications formally called in or follow up submissions made valid during the week commencing 20 March 2017

SDNP/17/01358/FUL

Proposal for 40 space public car park to be constructed on a small agricultural field including provision for cycle stands x 3 No and partial removal and replanting of hedgerow at Keymer Road, Ditchling.

At Land adjacent Pumping Station, Keymer Road, Ditchling, East Sussex, BN6 8TR

Validation Date: 22 March 2017

Date of Direction: 15 March 2017

Reason for the Direction

This is a sensitive and exposed site within the National Park where the proposed development and use of the site would have the potential for significant impact on the landscape, tranquility, dark skies, wildlife and environment in the locality, which constitute the first purpose for which the National Park was designated.
