

Appendix 1

Important landscape character features in the parish

Key:

Landscape Character Areas

- 1 Wooded Estate Downland
- 2A The Buriton Scarp
- 2B Open Chalk Scarp
- 3 Greensand Terrace

Important Features

- Important trees, hedgerows, woodlands and copses (trees flanking the lanes, tracks and hanger woodlands are also particularly important)
- Sunken lanes with distinctive sense of place
- Attractive rural lanes with special beauty
- Ancient tracks being damaged by motorised recreational traffic
- Villages nestle in the landscape – almost completely hidden from view
- Important gaps between settlements
- ‘Green Fingers’ of open space extend into the heart of the village
