In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies 2015-16'. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment from 1 April 2015' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Policy & Resources Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2016/17 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit

We have substantially completed our audit of the financial statements of South Downs National Park Authority for the year ended 31 March 2017. Subject to satisfactory completion of the following outstanding items we will issue an audit opinion in the form which appears in Appendix E:

- · Receipt of a third party investment confirmation
- · Review of the final version of the financial statements
- Completion of subsequent events review
- · Receipt of the signed management representation letter
- Whole of Government Accounts submission

We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.

We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

We have performed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We had no issues to report.

We expect to issue the audit certificate at the same time as the audit opinion.

Audit differences

We have identified one unadjusted audit difference within the draft financial statements, which management have chosen not to adjust. We ask the Policy & Resources Committee to consider approving management's rationale as to why these corrections have not been made and, if approved, include this in the Letter of Representation. Appendix A to this report sets out the uncorrected misstatement. We do not consider this to be material to our audit opinion.

Our audit identified a number of further audit differences which our team have highlighted to management for amendment. These have been corrected during the course of our work and further details are provided at Appendix B. These adjustments have resulted in a decrease in useable reserves of £48,000.

Scope and materiality

In our audit plan presented at the November 2016 meeting of the Governance Committee, we communicated that our audit procedures would be performed using a materiality of £270,780. We have reassessed this based on the actual results for the financial year and the amount has decreased to £249,220 due to a decrease in gross expenditure.

The threshold for reporting audit differences which impact the financial statements has also decreased from £13,539 to £12,461. The basis of our

| | assessment is 2% of gross operating expenditure, which has remained consistent with prior years. |
|-------------------------|--|
| | We carried out our work in accordance with our Audit Plan. |
| Significant audit risks | We identified the following audit risk during the planning phase of our audit, and reported this to you in our audit plan: |
| | Risk of management override. |
| | The 'addressing audit risks' section of this report sets out how we have gained audit assurance over this issue. |
| Other reporting | We wish to report the following other matters: |
| issues | Income recognitionRelated party transactions |
| | Further detail has been included in the 'financial statements audit' section of this report. |
| Control observations | We have adopted a fully substantive approach and have therefore not tested the operation of controls. |
| | |

We would like to take this opportunity to thank the Authority's staff for their assistance during the course of our work.

Paul King Executive Director For and on behalf of Ernst & Young LLP

2. Responsibilities and purpose of our work

The Authority's responsibilities

The Authority is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Authority reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2016/17 financial statements and the consistency of other information published with them;
- · Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Authority had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Authority's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risk during the planning phase of our audit, and reported this to you in our Audit Plan. Here, we set out how we have gained audit assurance over this issue.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)

Risk of management override

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

Audit procedures performed

- Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements
- Reviewed accounting estimates for evidence of management bias; and
- Evaluated the business rationale for any significant unusual transactions.

Assurance gained and issues arising

Our work identified no material misstatement due to fraudulent financial reporting or other evidence of material fraud.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Authority's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- · Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

We wish to report the following matters:

| Finding | Impact | Recommendation |
|--|---|--|
| Income | | |
| During the audit our testing identified two sales invoices that included income not relating to 2016/17. | • | The Authority should ensure that it has adequate controls in place to assure itself that income is recognised in the year to which it relates |
| Related parties | | |
| Our testing of related party transactions identified multiple undisclosed relationships. The form used to collate related parties asked for financial interests rather than the wider related party interests as set out in the Code of Accounting Practice. | Related party transactions were understated by £29,013. | The Authority should strengthen processes for collating related parties ensuring the declarations signed by Members meet the requirements of The Code |

We made the following recommendations as part of our 2015/16 Audit Results Report. Progress against those recommendations is set out in the table below.

| 2015/16 Recommendation | Progress | |
|---|--|--|
| Debtors accruals (existence) The Authority should strengthen processes for ensuring year-end debtor accruals are invoiced shortly after the year-end and that supporting evidence is retained and can be provided | Our testing of debtor accruals did not identify any items that could not' be supported by sufficient and appropriate audit evidence. | |
| Income The Authority should ensure that it has adequate controls in place to assure itself that income is recognised in the year to which it relates | Our testing of income identified two instances where income was recognised in the incorrect period. Management have corrected all errors above our trivial threshold. This continues to be a recommendation for | |
| | management. | |
| | | |

Control themes and observations

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Authority has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information from the audit or our knowledge of the Authority.

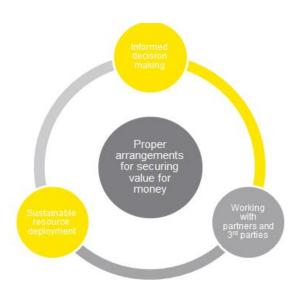

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix F.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

4. Value for money

We are required to consider whether the Authority has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ► Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks in relation to these criteria.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Authority's arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Appendix A – Uncorrected audit differences

The following differences, which are greater than £12,461, have been identified during the course of our audit and have not been considered material by management or by us for adjustments. We are bringing them to the Committee's attention to enable you for form your own view on these items.

Balance sheet and Statement of comprehensive income and expenditure

| Item of account | Balance sheet (Decrease) / Increase £000 | Comprehensive income and expenditure statement (Decrease) / Increase £000 |
|---|---|---|
| Other long term liabilities | 91 | |
| Unusable reserves | 28 | |
| Cost of services | | 82 |
| Net interest on the net defined benefit pension liability | | 1 |
| Remeasurement of the net defined benefit liability | | 36 |
| Incorrect calculation of employers and employees p | ension contributions by | the Authority's actuary |
| | | |
| Cumulative effect of unadjusted differences | 119 | 119 |

Disclosures

| Disclosure | Description of difference |
|---------------------------------|---|
| Defined Benefit Pension Schemes | Various tables within the pension note would include different figures if the actuary's assumptions were correct. None of the differences are material. |

Appendix B – Corrected audit differences

The following corrected differences have been identified during the course of our audit and warrant communicating to you.

These items have been corrected by management within the revised financial statements.

Disclosures

| Disclosure | Description of difference |
|-----------------|--|
| Leases | Our review of the Authority's operating leases identified some instances where the lease break point had passed but the full lease term was not disclosed in the financial statements. |
| Related Parties | We identified related party transactions that had not been disclosed within the financial statements. |

Appendix C – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated November 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Policy & Resources Committee on 20 July 2017.

We confirm that we have met the reporting requirements to the Policy & Resources Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of November 2016.

Appendix D – Auditor fees

The table below sets out the scale fee and our final proposed audit fees.

| Description | Proposed final Fee 2016/17 £ | Scale Fee 2016/17 £ | Variation comments |
|-----------------------------|---------------------------------------|---------------------------|--------------------|
| Total Audit Fee - Code work | 14,058 | 14,058 | N/A |

Our actual fee in in line with the scale fee set by the PSAA at this point in time, subject to satisfactory clearance of the outstanding work.

We confirm we have not undertaken any non-audit work outside of the PSAA's requirements.

Appendix E – Draft audit report

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTH DOWNS NATIONAL PARK AUTHORITY

Opinion on the Authority's financial statements

We have audited the financial statements of South Downs National Park Authority for the year ended 31 March 2017 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Movement in Reserves Statement;
- · Comprehensive Income and Expenditure Statement;
- Balance Sheet:
- · Cash Flow Statement and the related notes 1 to 23.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Accounting in the United Kingdom 2016/17.

This report is made solely to the members of South Downs National Park Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Financial Officer and auditor

As explained more fully in the Statement of the Chief Financial Officer's Responsibilities set out on page 14, the Chief Financial Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer; and the overall presentation of the financial statements. We read all the financial and non-financial information in the Statement of Accounts 2016/17 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of South Downs National Park Authority as at 31 March 2017 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2016/17 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Authority;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014;or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on South Downs National Park Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the South Downs National Park Authority had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the South Downs National Park Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2017.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the South Downs National Park Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, South Downs National Park Authority put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2017.

Certificate

We certify that we have completed the audit of the accounts of South Downs National Park Authority in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

Paul King (senior statutory auditor)

for and on behalf of Ernst & Young LLP, Appointed Auditor

Southampton

25 July 2017

The maintenance and integrity of the South Downs National Park Authority web site is the responsibility of the directors; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the web site.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Appendix F – Management representation letter

[To be prepared on the entity's letterhead]

20 July 2017

Ernst & Young Wessex House 19 Threefield Lane Southampton SO14 3QB United Kingdom

This letter of representations is provided in connection with your audit of the financial statements of South Downs National Park Authority ("the Authority") for the year ended 31 March 2017. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of South Downs National Park Authority as of 31 March 2017 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

- We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
- 2. We acknowledge, as members of management of the Authority, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Authority in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17. We have approved the financial statements.
- 3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
- 4. As members of management of the Authority, we believe that the Authority has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17, that are free from material misstatement, whether due to fraud or error.
- 5. We believe that the effects of any unadjusted audit differences accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor

because they relate to incorrect assumptions by the Authority's actuary and do not affect the adjusted financial performance of the Authority.

B. Fraud

- 1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
- 2. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 3. We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the Authority's internal controls over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving other employees in which the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistleblowers") which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Authority.

C. Compliance with Laws and Regulations

1. We have disclosed to you all identified or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.

D. Information Provided and Completeness of Information and Transactions

- 1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit;
 and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
- 2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 3. We have made available to you all minutes of the meetings of the Authority and committees held during 2016/17 through to the most recent meeting.
- 4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Authority's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.
- 5. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 6. We have disclosed to you, and the Authority has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

E. Liabilities and Contingencies

- 1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
- 2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
- 3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in to the financial statements all guarantees that we have given to third parties.

F. Subsequent Events

 As described in Note 4 to the financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

G. Representations required in specific circumstances

1. Comparative information

As disclosed in Note 1 to the financial statements Authority has introduced a change in accounting policy in respect of the new formats and reporting requirements for the Comprehensive Income and Expenditure Statement and the Movement in Reserves Statement as a result of CIPFA's "Telling the Story" review of improvements to the presentation of local authority financial statements.

These changes in accounting policy required full retrospective restatement in accordance with the requirements of the Code and IAS 1 and therefore the Authority has restated the preceding year information (ie for the 2015/16 financial year). There is no impact on the Authority's Balance Sheet.

The comparative amounts have been correctly restated to reflect the above matters and appropriate note disclosure of these restatements have also been included in the current year's financial statements.

2. Ownership of Assets

 Except for assets capitalised under finance leases, the Authority has satisfactory title to all assets appearing in the balance sheet, and there are no liens or encumbrances on the Authority's assets, nor has any asset been pledged as collateral. All assets to which the Authority has satisfactory title appear in the balance sheet.

3. Reserves

1. We have properly recorded or disclosed in the financial statements the useable and unusable reserves.

4. Use of the Work of a Specialist

1. We agree with the findings of the specialist that we engaged to evaluate the valuation of Property, Plant and Equipment and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists. 2. We agree with the findings of the specialist that we engaged to evaluate the valuation of Defined Benefit Pension Schemes and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

5. Estimates

- We believe that the measurement processes, including related assumptions and models, used to determine accounting estimates have been consistently applied and are appropriate in the context of the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
- 2. We confirm that the significant assumptions used in making accounting estimates appropriately reflect our intent and ability to carry out our duties on behalf of the entity.
- 3. We confirm that the disclosures made in the financial statements with respect to the accounting estimates are complete and made in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
- 4. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements due to subsequent events.

6. Retirement benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

| Yours faithfully, | |
