

Planning Committee Meeting

13 April 2017

Agenda Item 12

Petersfield Conservation Area Appraisal and Management
Plan (CAAMP)

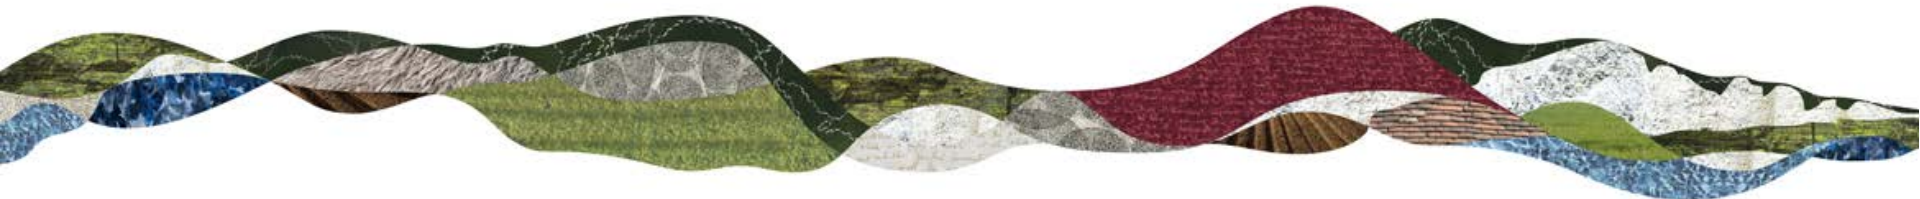

- A draft CAAMP was prepared some time ago and went through a full consultation process, including a public exhibition in the town.
- The text was revised and a fully illustrated version of the document presented to Planning Committee.
- In considering it, Members asked for the CAAMP to be amended to pay more attention to the public realm and to be more clearly aligned with the Neighbourhood Plan

The document now presented has been amended accordingly. The significant changes are:

- A redrafting of ‘Section 3.5 Public Realm’
- A redrafting of ‘Section 6.5 Economic Vitality & Sites for Enhancement’, which has also been renamed as ‘Quality of the Public Realm’ to make the subject more obvious.

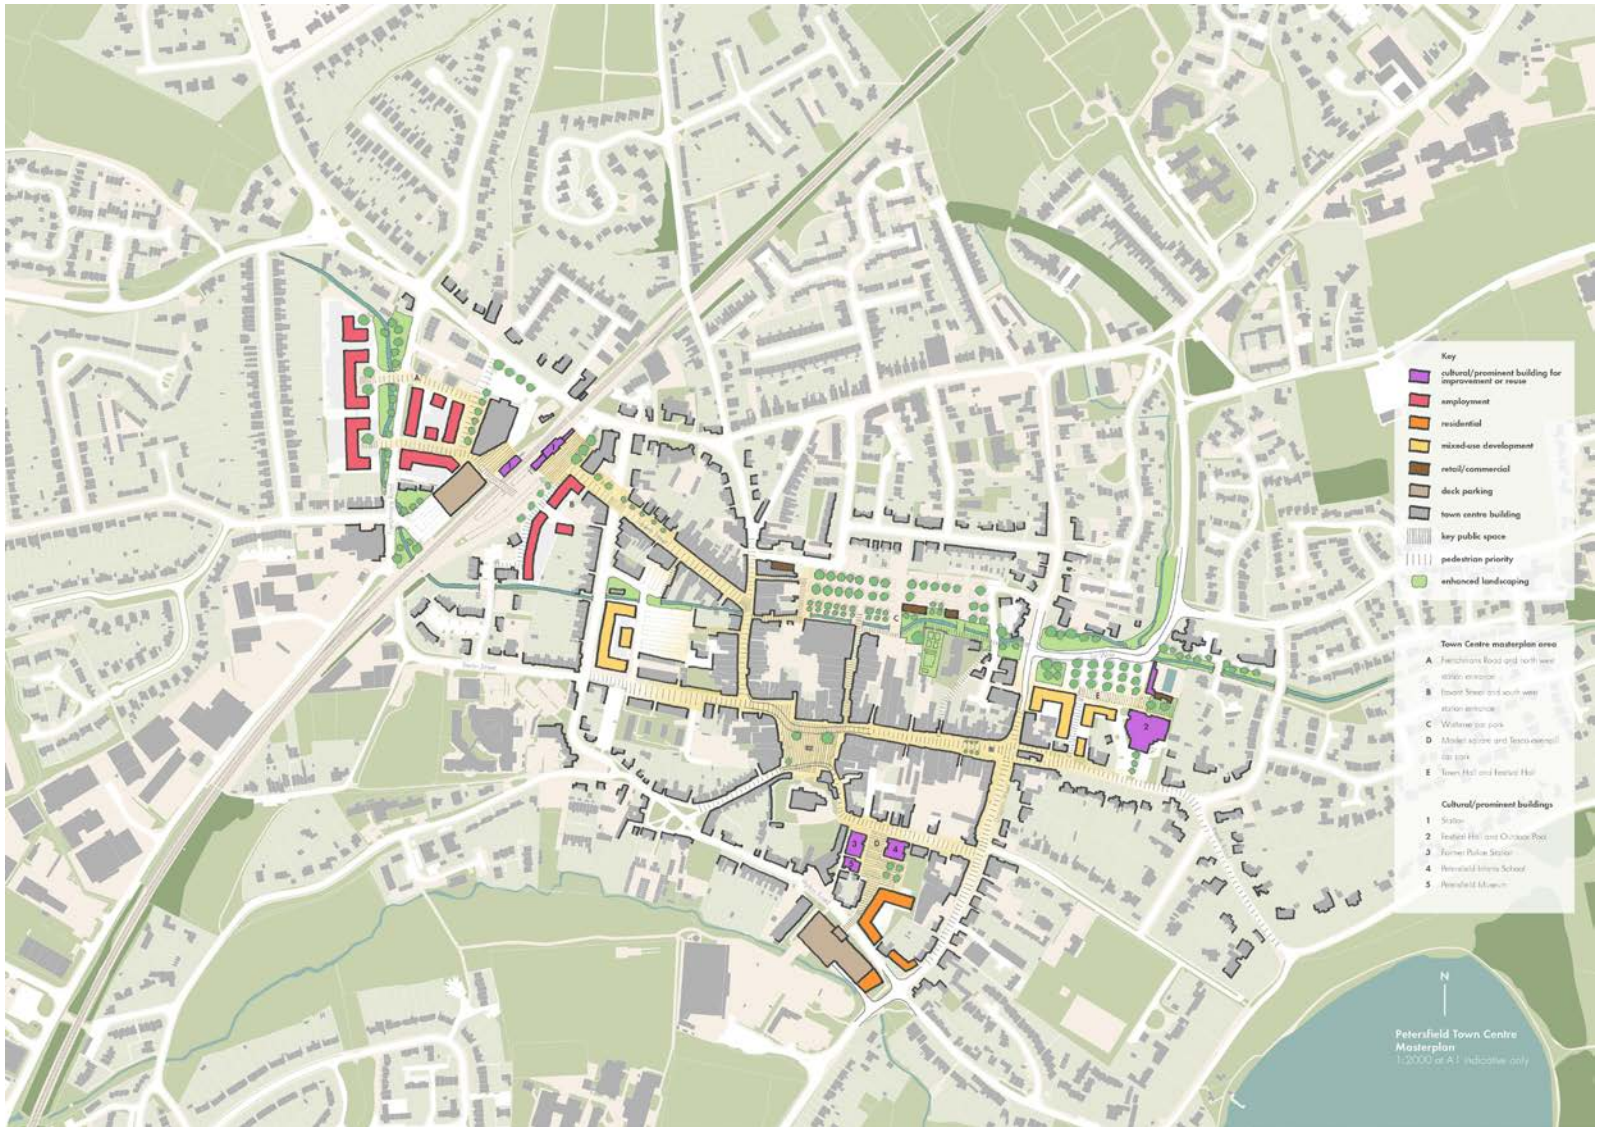

.. and, most significantly,

- a redrafting of ‘Section 2.5 Economic Vitality and sites for enhancement’ of the Management Plan, also renamed as ‘Quality of the Public Realm’.

This includes clear and strong links with the adopted Neighbourhood Plan.

Recommendation

The Committee is recommended to adopt the Petersfield Conservation Area Appraisal and Management Plan, attached as appendix 1 to this report, for the purposes of Development Management and to inform the wider activities of the South Downs National Park Authority and its partners
