

**Applications formally called in or follow up submissions made valid during the week commencing 4<sup>th</sup> December 2017.**

**SDNP/17/05291/FUL**

Construction of a 1617 metre length of traffic-free path in two sections for shared use by walkers, cyclists and wheelchair users

At

Egrets Way (Ham Lane to Railway Lane), Lewes, East Sussex

**Validation Date:** 1 December 2017

**Date of Direction:** 19 October 2017

**Reason for the Direction**

This is major application for shared public access development on a site which in a prominent location, close to public highways and including a section adjacent to the west bank of the River Ouse. Due to these factors and the biodiversity and ecological interest of the river, the proposed development would have potential to have a significant impact on the natural beauty and wildlife of the South Downs National Park and opportunities for the understanding and enjoyment of its special qualities by the public and as such, the two purposes of designation of the National Park.
