3. Do you consider the Main Modification(s) to the Adur Local Plan to be unsound because it is not: (tick as appropriate)

- 3.1 Positively Prepared
- 3.2 Justified
- 3.3 Effective
- 3.4 Consistent with National Policy

4. If you consider the Main Modification(s) to the Adur Local Plan to be unsound or not legally compliant, please explain why in the box below:

It is proposed to amend Policy SD22 to make it consistent with the Written Ministerial Statement (28.11.14). However the judgement handed down from the Court of Appeal relating to this matter (SSCLG v Reading & West Berkshire, dated 11/05/16) indicated that the WMS should not be applied in a blanket fashion, and that local circumstances weighing against the WMS are material.

It is respectfully suggested that the strength of local evidence pointing to a lower threshold for seeking affordable housing in Adur than set out in the WMS, outweighs the WMS and Planning Practice Guidance. The amendments proposed to Policy 22 are not justified taking account of the evidence, and would be ineffective in terms of boosting housing supply, including for specialist housing needs, as required by the NPPF.

The South Downs National Park Authority has a particular interest as part of the Coastal Sussex HMA falls within the National Park. The National Park Authority also faces similar issues with respect to a reliance on smaller development sites to meet affordable housing development needs.

5. Please explain in the box below what change(s) you consider necessary to make the Main Modification(s) to the Adur Local Plan legally compliant and sound having regard to the reason you identified above.

(You will need to say why this change will make it legally compliant or sound. It will be helpful if you are able to put forward your suggested or revised wording. Please be as precise as possible).

Retain the existing wording to Policy 22 and retain paragraph 4.44.

(Continue on separate sheet if necessary)

6. Please add any comments in relation to the Addendum to the Sustainability Appraisal of the Adur Local Plan in the box below.
