At

Calloways , Graffham Street, Graffham, GU28 0NJ

Validation Date: 16 April 2018

Date of Direction: 22 February 2018

Reason for the Direction

The application is a major development due to the number of dwellings proposed and involves the substantial redevelopment of an existing farm complex in the open countryside. The site is in a sensitive rural location close to public rights of way, adjacent to a Grade II listed building and affects undesignated heritage assets. The proposal therefore has the potential to be significant in terms of its impact on the natural beauty, wildlife and cultural heritage of the South Downs National Park.
