

## **Applications formally called in or follow up submissions made valid during the week commencing 2<sup>nd</sup> July 2018**

### **SDNP/18/02624/FUL**

Underpass beneath the B2070 and associated bunds.

At

Land to The West of, Admers Lane, Liphook, Hampshire,

**Validation Date:** 2 July 2018

**Date of Direction:** 17 May 2018

#### **Reason for the Direction**

The proposed development would involve a significant engineering operation with the introduction of associated hard landscaping features in a rural countryside setting which also need to be balanced with public safety considerations. The site is located within the Wheatsheaf Common/Liphook Golf Course SINC/LWS.

The development therefore has the potential to have a significant impact on the natural beauty, wildlife and special qualities of the National Park, and as such the first purpose of designation.

### **SDNP/18/03484/CND**

Variation of conditions 1 and 20 on planning consent SDNP/15/02213/FUL - minor material amendments comprising of; design and layout amendments to new-build dwellings, including East Apartments (Zones 3 & 9); amendments to finished site levels (Zones 3 & 9); reconfiguration of access into and layout of underground car park (East); and associated highways, parking and landscape amendments (no overall change in number of dwellings)

At

King Edward VII Hospital, Kings Drive, Easebourne, Midhurst, West Sussex, GU29 0BL

**Validation Date:** 3 July 2018

**Date of Direction:** 3 July 2018

#### **Reason for the Direction**

This proposal is for amendments to a major development which was previously called in by the SDNPA and which has the potential to significantly affect the natural beauty, wildlife and cultural heritage of the South Downs National Park and as such the first purpose of designation. This is an application for an Application to Vary or Remove Conditions that requires no formal call in as the principle case was Called in and managed by the National Park.
