At

Newlyns Farm , Stakes Lane, Upham, SO32 1QA

**Validation Date:** 19 July 2018

**Date of Direction:** 19 July 2018

**Reason for the Direction**

The proposed development would involve the replacement of an existing agricultural yard with three residential dwellings, as well as a village green and communal car parking area.

The site is located in a sensitive location outside of a defined settlement boundary. The site is in a prominent position on the eastern edge of Upham village within the conservation area, and adjacent to public rights of way.

Given the scale and nature of the proposal, and the sensitivities of the site location, the proposal has the potential to have a significant impact on the natural beauty, wildlife and cultural heritage of the National Park, and as such the first purpose of designation.
