Validation Date: 2 August 2018

Date of Direction: 25 July 2018

Reason for the Direction

The SDNPA proposes to determine the above planning application itself given the need to balance considerations regarding any impacts on the natural beauty, wildlife and cultural heritage of the area as a result of the proposed development and uses against any opportunities that the proposals may bring for understanding and enjoyment of its special qualities by the public. Such an assessment in balancing the first two purposes of National Park designation is potentially of significance to the SDNPA.
