

Planning Committee Meeting

14 June 2018

Agenda Item 18

Adoption of the West Sussex and South Downs
Joint Minerals Local Plan

Key points to consider

- Note the Inspector's report - the JMLP is sound and legally compliant, and updates the current West Sussex Minerals Plan (2003)
- The Authorities are required to produce a review of Soft Sand policies within two years of adopting the JMLP
- As part of this work Members are invited to a day of site visits on 30 August 2018

Recommendation

1. Recommend to the NPA that the Joint Minerals Plan, incorporating the Modifications and updated Policies Map is published and adopted;
2. Publish the Adoption Statement and Sustainability Appraisal (incorporating Strategic Environmental Assessment) Report;
3. Note the content of the Inspector's Report and his conclusion that the JMLP is legally compliant and sound;
4. Note the ongoing commitment the South Downs National Park Authority has to work in partnership with West Sussex County Council to undertake a Single Issue Review of Soft Sand policy as part of joint working on waste and mineral policy issues
5. Authorise the Director of Planning to agree any further minor non-material changes to the content of the JMLP in consultation with the Chair of the Planning Committee and WSCC.
