Pursuant to the orders of Justine Thornton QC, sitting as a Deputy High Court Judge, dated 11 September 2018, and

Following consideration of the documents lodged by the parties

**Order by the Honourable Mrs Justice Lang DBE**

1. Pursuant to CPR r.3.1(2)(h), claims CO/2429/2018 and CO/2752/2018 are to be heard and determined on the same occasion, with a time estimate of 3 days.
2. The Claimants are to circulate their proposed trial bundle indexes to all parties well in advance, in an attempt to avoid unnecessary duplication in their separate trial bundles. The South Downs National Park Authority is to take responsibility, on behalf of all parties, for filing and serving a separate bundle comprising those documents which are common to both claims.
3. Costs reserved.

**Reasons**

Despite the objections raised by Sharpe Pritchard, I consider that a single hearing is consistent with the overriding objective of dealing with the claims proportionately, and allotting them an appropriate share of the court's resources.
