Change of Use of a redundant care home and associated land to a residential use comprising 12 dwellings, access, parking, landscaping, repairs to heritage assets and associated works

At

Westbury House Nursing Home , West Meon Road, East Meon, Petersfield, GU32 1HY

Validation Date: 8 November 2019

Date of Direction: 24 October 2019

Reason for the Direction

The proposal involves the change of use of a Westbury House (an undesignated heritage asset and former care home) to a residential use, as well as associated works in the historic grounds including proposed works to listed ice houses and Grade II and Scheduled Chapel of St Nicholas which is currently on the Heritage at Risk Register.

The SDNPA propose to handle this application in-house given the considerations over the re-use for the site, and balancing this against any impacts on the Purposes of the National Park and its special qualities, including cultural heritage considerations.
