

# Walk The Heath

Winter: Dec 2019 – Feb 2020

FREE  
GUIDED  
WALKS

Our heathland walks programme is put together by all 11 of the Heathlands Reunited partnership organisations, across the whole project area which spans from Hampshire down to Pulborough. It is released quarterly throughout the year.

This programme will feature a variety of themed walks, including land management, heathland species and heritage. They will also include short health walk strolls, whilst others may be longer for the more advanced walker.

## All walks are classed as:

GENTLE
