Purpose of Report	To update Members of the progress of Neighbourhood Development Plans across the South Downs National Park

**The following responses were received by Members of the Planning Committee:**

<b>Name</b>	<b>Comments</b>
Diana van der Klugt	The only comment I have on the contents of the Report is that, in the light of the comments dated 14/05/2020 from Mr David Hutchison of Findon Updated Neighbourhood Plan Working Group, there should be some reference to the dissatisfaction of Findon Parish Council with the process of updating the Findon Neighbourhood Plan. Apart from that comment, I am happy with the Senior Planning Policy Officer's recommendation to the Director of Planning to note the progress of the preparation of Neighbourhood Development Plans across the National Park as described in the Report.
