

# THIS SITE IS A SCHEDULED MONUMENT

A Scheduled Monument is an historic site of national importance protected under UK law. What might look like lumps and bumps in the landscape may well be Bronze Age or Iron Age burial mounds.

It is a criminal offence to destroy or damage a Scheduled Monument either intentionally or through recklessness.

The following activities are not permitted:

- PITCHING A TENT
- LIGHTING A FIRE
- BARBEQUES
- DIGGING OF ANY DESCRIPTION
- RIDING BICYCLES, MOTORBIKES OR QUAD BIKES

If you spot any suspicious behaviour, please call the police on 101 or dial 999 in the event of an emergency.

There is a rich cultural history underneath our feet. Please help us conserve that for future generations.
