

# PLEASE HELP US TO TAKE CARE OF THIS PRECIOUS LANDSCAPE AND THE WILDLIFE LIVING HERE.

## NO CAMPING OR LIGHTING FIRES/ BARBEQUES

It is illegal to wild camp in the National Park.

There is a very high risk of fires spreading on this site. Please do not light barbeques or fires of any kind as these can be very damaging to the landscape.

## TAKE YOUR LITTER HOME

Enjoy your visit here but please take all litter home with you. Rubbish left behind can cause harm to wildlife and ruins the experience for other visitors.

**If you spot any suspicious behaviour, please call the police on 101 or dial 999 in the event of an emergency.**
