

South Downs Learning Network

Sites and providers

COVID-19 UPDATE: The ticks in the columns on the right indicate those sites and providers who have recently confirmed they are currently delivering services. A cross indicates they have confirmed they are not operating those services. Any site/provider that is entirely blank should be contacted directly for up-to-date information.

The South Downs National Park Authority (SDNPA) has created this directory of education sites and providers to help schools connect with learning opportunities in and around the South Downs National Park. The SDNPA bears no responsibility for the services provided by the organisations listed in the directory and schools are responsible for checking appropriate safety standards and liability insurance when using an outside organisation and should follow the guidance at <https://www.gov.uk> when planning any educational visits.

If you haven't been able to find the site or provider you were looking for and feel they should be added to the list, please get in touch with us, learning@southdowns.gov.uk. Any site or provider in the South Downs National Park that delivers education outside the classroom, outdoors, in a museum, etc. **or** any site based near the National Park that delivers sessions focussing on the special qualities of the South Downs National Park will be considered for inclusion.
