

ENFORCEMENT NOTICE

IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY

SOUTH DOWNS NATIONAL PARK AUTHORITY

TOWN AND COUNTRY PLANNING ACT 1990
(AS AMENDED BY THE PLANNING AND COMPENSATION ACT 1991)

**Issued By : East Hampshire District Council on behalf of The South Downs National
Park Authority**

1. THIS IS A FORMAL NOTICE which is issued by the South Downs National Park Authority (“the Authority”), because it appears that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the Land described below. The Authority considers that it is expedient to issue this Notice, having regard to the provisions of the development plan and to other material planning considerations. The Explanatory Notes which accompany this Notice and the enclosures to which it refers contain important additional information.

2. THE LAND TO WHICH THE NOTICE RELATES

Land south of Spring House, Stairs Hill, Empshott, Liss, GU33 6HR (“the Land”).

**3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF
PLANNING CONTROL**

Within the last 10 years and without planning permission, a material change of use of land to a mixed use of agricultural and recreational.

4. THE REASON FOR ISSUING THE NOTICE

It appears to the Council that the above breach of planning control has occurred within the last 10 years.

The development creates a unit of self-contained residential living accommodation used for recreational purposes in the Countryside beyond an identified Settlement Policy Boundary (SPB) for which no overriding justification has been made on any of the following grounds:

- (a) an essential need for a rural worker;
- (b) meeting an identified need locally for affordable housing;
- (c) optimal viable use of a heritage asset;
- (d) acceptable use of an existing building; or
- (e) that the development is of exceptional quality, or the design is in any way innovative.

The development comprises an undesirable change of use from agriculture in a rural location outside a defined settlement policy boundary. The breach does not have a genuine and proven need for a countryside location, such as that necessary for farming, forestry or other rural enterprises. The development is therefore unacceptable in principal and harmful to the character and appearance of the wider landscape, and is contrary to policies SD1, SD2, SD4, SD5, SD32, SD34, and SD39

The development, by virtue of its scale, siting, design, and incursion of further development within the Countryside has resulted in a detrimental impact on the rural character and appearance of wider area and fails to comply with the purposes and duty of the South Downs National Park. As such, the development is contrary to policies SD4, SD5 and SD39 of the newly adopted South Downs Local Plan, and advice contained within the NPPF (2019).

5. WHAT YOU ARE REQUIRED TO DO

- (i) To cease the use of the caravan for recreational use, hatched in the approximate position on the attached plan.
- (ii) Remove the caravan from the Land edged red on the attached plan
- (iii) Remove all resultant materials from the Land.

6. TIME FOR COMPLIANCE

The period for compliance with the steps set out in paragraph 5 is **3 months** from the date this notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on Monday 6th December 2021 unless an appeal is made against it beforehand.

Date : 5th November 2021 (**Date of issue**)

On behalf of: South Downs National Park Authority

- (b) that those matters have not occurred;
- (c) that those matters (if they occurred) do not constitute a breach of planning control;
- (d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;

173 Contents and effect of notice

 - (a) the matters which appear to the local planning authority to constitute the breach of planning control; and
 - (b) the paragraph of section 171A(1) within which, in the opinion of the authority, the breach falls.
- (2) A notice complies with subsection (1)(a) if it enables any person on whom a copy of it is served to know what those matters are.
- (3) An enforcement notice shall specify the steps which the authority require to be taken, or the activities which the authority require to cease, in order to achieve, wholly or partly, any of the following purposes.
- (4) Those purposes are--
 - (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land, by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
 - (b) remedying any injury to amenity which has been caused by the breach.
- (5) An enforcement notice may, for example, require--
 - (a) the alteration or removal of any buildings or works;
 - (b) the carrying out of any building or other operations;
 - (c) any activity on the land not to be carried on except to the extent specified in the notice; or
 - (d) the contour of a deposit of refuse or waste materials on land to be modified by altering the gradient or gradients of its sides.
- (6) Where an enforcement notice is issued in respect of a breach of planning control consisting of demolition of a building, the notice may require the construction of a building (in this section referred to as a "replacement building") which, subject to subsection (7), is as similar as possible to the demolished building.
- (7) A replacement building--
 - (a) must comply with any requirement imposed by any enactment applicable to the construction of buildings;

- (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control;
 - (c) must comply with any regulations made for the purposes of this subsection (including regulations modifying paragraphs (a) and (b)).
- (8) An enforcement notice shall specify the date on which it is to take effect and, subject to sections 175(4) and 289(4A), shall take effect on that date.
- (9) An enforcement notice shall specify the period at the end of which any steps are required to have been taken or any activities are required to have ceased and may specify different periods for different steps or activities; and, where different periods apply to different steps or activities, references in this Part to the period for compliance with an enforcement notice, in relation to any step or activity, are to the period at the end of which the step is required to have been taken or the activity is required to have ceased.
- (10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.
- (11) Where--
 - (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to cease, but does not do so; and
 - (b) all the requirements of the notice have been complied with,

then, so far as the notice did not so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

- (12) Where--
 - (a) an enforcement notice requires the construction of a replacement building; and
 - (b) all the requirements of the notice with respect to that construction have been complied with,

planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.

173A Variation and withdrawal of enforcement notices

- (1) The local planning authority may--
 - (a) withdraw an enforcement notice issued by them; or
 - (b) waive or relax any requirement of such a notice and, in particular, may extend any period specified in accordance with section 173(9).
- (2) The powers conferred by subsection (1) may be exercised whether or not the notice has taken effect.
- (3) The local planning authority shall, immediately after exercising the powers conferred by subsection (1), give notice of the exercise to every person who has been served with a copy of the enforcement notice or would, if the notice were re-issued, be served with a copy of it.
- (4) The withdrawal of an enforcement notice does not affect the power of the local planning authority to issue a further enforcement notice.

174 Appeal against enforcement notice

- (1) A person having an interest in the land to which an enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice, whether or not a copy of it has been served on him.
- (2) An appeal may be brought on any of the following grounds—
 - (a) that, in respect of any breach of planning control which may be constituted by the matters stated in the notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged;
 - (b) that those matters have not occurred;
 - (c) that those matters (if they occurred) do not constitute a breach of planning control;
 - (d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
 - (e) that copies of the enforcement notice were not served as required by section 172;
 - (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;

- (g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.
- (2A) An appeal may not be brought on the ground specified in subsection (2)(a) if—
- (a) the land to which the enforcement notice relates is in England, and
 - (b) the enforcement notice was issued at a time—
 - (i) after the making of a related application for planning permission, but
 - (ii) before the end of the period applicable under section 78(2) in the case of that application.
- (2B) An application for planning permission for the development of any land is, for the purposes of subsection (2A), related to an enforcement notice if granting planning permission for the development would involve granting planning permission in respect of the matters specified in the enforcement notice as constituting a breach of planning control.
- (2C) Where any breach of planning control constituted by the matters stated in the notice relates to relevant demolition (within the meaning of section 196D), an appeal may also be brought on the grounds that—
- (a) the relevant demolition was urgently necessary in the interests of safety or health;
 - (b) it was not practicable to secure safety or health by works of repair or works for affording temporary support or shelter; and
 - (c) the relevant demolition was the minimum measure necessary.
- (2D) An appeal against an enforcement notice may not be brought on the ground that planning permission ought to be granted in respect of a breach of planning control constituted by a matter stated in the notice, as specified in subsection (2)(a), if—
- (a) the land to which the enforcement notice relates is in Wales, and
 - (b) the enforcement notice was issued after a decision to refuse planning permission for a related development was upheld on an appeal under section 78 (and for this purpose development is “related” if granting planning permission for it would involve granting planning permission in respect of the matter concerned).
- (2E) An appeal may not be brought on the ground that a condition or limitation ought to be discharged, as specified in subsection (2)(a), if—
- (a) the land to which the enforcement notice relates is in Wales, and
 - (b) the enforcement notice was issued after a decision to grant planning permission subject to the condition or limitation was upheld on an appeal under section 78.
- (2F) For the purposes of subsections (2D) and (2E), references to a decision that has been upheld on an appeal include references to a decision in respect of which—

- (a) the Welsh Ministers have, under section 79(6), declined to determine an appeal or to proceed with the determination of an appeal;
 - (b) an appeal has been dismissed under section 79(6A).
- (3) An appeal under this section shall be made—
- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect; or
 - (b) by sending such notice to him in a properly addressed and pre-paid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date; or
 - (c) by sending such notice to him using electronic communications at such time that, in the ordinary course of transmission, it would be delivered to him before that date.
- (4) A person who gives notice under subsection (3) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing—
- (a) specifying the grounds on which he is appealing against the enforcement notice; and
 - (b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) In this section “relevant occupier” means a person who—
- (a) on the date on which the enforcement notice is issued occupies the land to which the notice relates by virtue of a licence; and
 - (b) continues so to occupy the land when the appeal is brought

175 Appeals: supplementary provisions

- (1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 174 and, in particular, but without prejudice to the generality of this subsection, may--
- (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;

- (b) specify the matters to be included in such a statement;
 - (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed;
 - (d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.
- (2) The notice to be prescribed under subsection (1)(c) shall be such notice as in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the land to which the enforcement notice relates is situated.
- (3) Subject to section 176(4), the Secretary of State shall, if either the appellant or the local planning authority so desire, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.
- (3A) Subsection (3) does not apply to an appeal against an enforcement notice issued by a local planning authority in England.
- (3B) Subsection (3) does not apply to an appeal against an enforcement notice issued by a local planning authority in Wales.
- (4) Where an appeal is brought under section 174 the enforcement notice shall subject to any order under section 289(4A) be of no effect pending the final determination or the withdrawal of the appeal.
- (5) Where any person has appealed to the Secretary of State against an enforcement notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
- (6) Schedule 6 applies to appeals under section 174, including appeals under that section as applied by regulations under any other provisions of this Act.

176 General provisions relating to determination of appeals

- (1) On an appeal under section 174 the Secretary of State may--
- (a) correct any defect, error or misdescription in the enforcement notice; or
 - (b) vary the terms of the enforcement notice,

if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority.

- (2) Where the Secretary of State determines to allow the appeal, he may quash the notice.
- (2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.
- (3) The Secretary of State--
 - (a) may dismiss an appeal if the appellant fails to comply with section 174(4) within the prescribed time; and
 - (b) may allow an appeal and quash the enforcement notice if the local planning authority fail to comply with any requirement of regulations made by virtue of paragraph (a), (b), or (d) of section 175(1) within the prescribed period.
- (4) If section 175(3) would otherwise apply and the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) of this section or to allow an appeal and quash the enforcement notice under paragraph (b) of that subsection, he need not comply with section 175(3).
- (5) Where it would otherwise be a ground for determining an appeal under section 174 in favour of the appellant that a person required to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

177 Grant or modification of planning permission on appeals against enforcement notices

- (1) On the determination of an appeal under section 174, the Secretary of State may--
 - (a) grant planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control, whether in relation to the whole or any part of those matters or in relation to the whole or any part of the land to which the notice relates;
 - (b) discharge any condition or limitation subject to which planning permission was granted;
 - (c) determine whether, on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which planning permission was granted was lawful and, if so, issue a certificate under section 191.

- (1A) The provisions of sections 191 to 194 mentioned in subsection (1B) shall apply for the purposes of subsection (1)(c) as they apply for the purposes of section 191, but as if--
 - (a) any reference to an application for a certificate were a reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made; and
 - (b) references to the local planning authority were references to the Secretary of State.

- (1B) Those provisions are: sections 191(5) to (7), 193(4) (so far as it relates to the form of the certificate), (6) and (7) and 194.

- (1C) Subsection (1)(a) applies only if the statement under section 174(4) specifies the ground mentioned in section 174(2)(a).

- (2) In considering whether to grant planning permission under subsection (1), the Secretary of State shall have regard to the provisions of the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations.

- (3) The planning permission that may be granted under subsection (1) is any planning permission that might be granted on an application under Part III.

- (4) Where under subsection (1) the Secretary of State discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.
- (5) Where –
- (a) an appeal against an enforcement notice is brought under section 174, and
 - (b) the statement under section 174(4) specifies the ground mentioned in section 174(2)(a),

the appellant shall be deemed to have made an application for planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control.

- (5A) Where--
- (a) the statement under subsection (4) of section 174 specifies the ground mentioned in subsection (2)(a) of that section;
 - (b) any fee is payable under regulations made by virtue of section 303 in respect of the application deemed to be made by virtue of the appeal; and
 - (c) the Secretary of State gives notice in writing to the appellant specifying the period within which the fee must be paid,

then, if that fee is not paid within that period, the appeal, so far as brought on that ground, and the application shall lapse at the end of that period.

- (6) Any planning permission granted under subsection (1) on an appeal shall be treated as granted on the application deemed to have been made by the appellant.
- (7) In relation to a grant of planning permission or a determination under subsection (1) the Secretary of State's decision shall be final.
- (8) For the purposes of section 69 the Secretary of State's decision shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.
