# Walk the Heath

March 2022 – September 2022

**FREE  
GUIDED  
WALKS**

Our ranger led heathland walks take in the stunning countryside which surrounds Whitehill and Bordon. This area is home to some of the world's rarest heathland habitats, supporting amazing wildlife such as the Sand lizard, Silver-studded Blue butterfly and several rare bird species. These heaths are in fact so special that they have protected status and make up the Wealden Heaths Special Protection Area and Shortheath SAC (Special Area of Conservation).

This programme will feature a variety of themed walks, including land management, heathland species and heritage. Well behaved dogs on leads can join most of these walks unless otherwise stated.

## All walks are classed as:

GENTLE

**When you see this symbol, please be aware that dogs are not allowed on this walk.**
