

Wide Mouth Pike

Create your very own wide mouth pike with this simple craft and template below.

Adult supervision may be required to complete this craft.

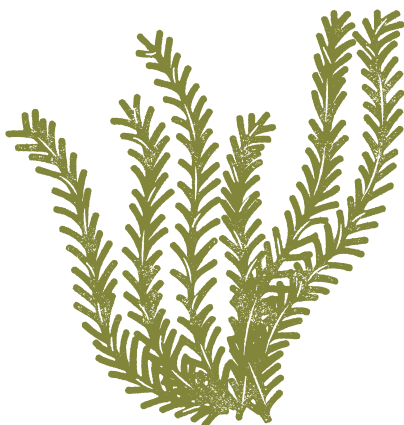

To complete this craft you will need:

- Scissors
- Coloured paper
- Cereal box
- A print out of the Wide Mouth Pike
- Coloured pens or pencils

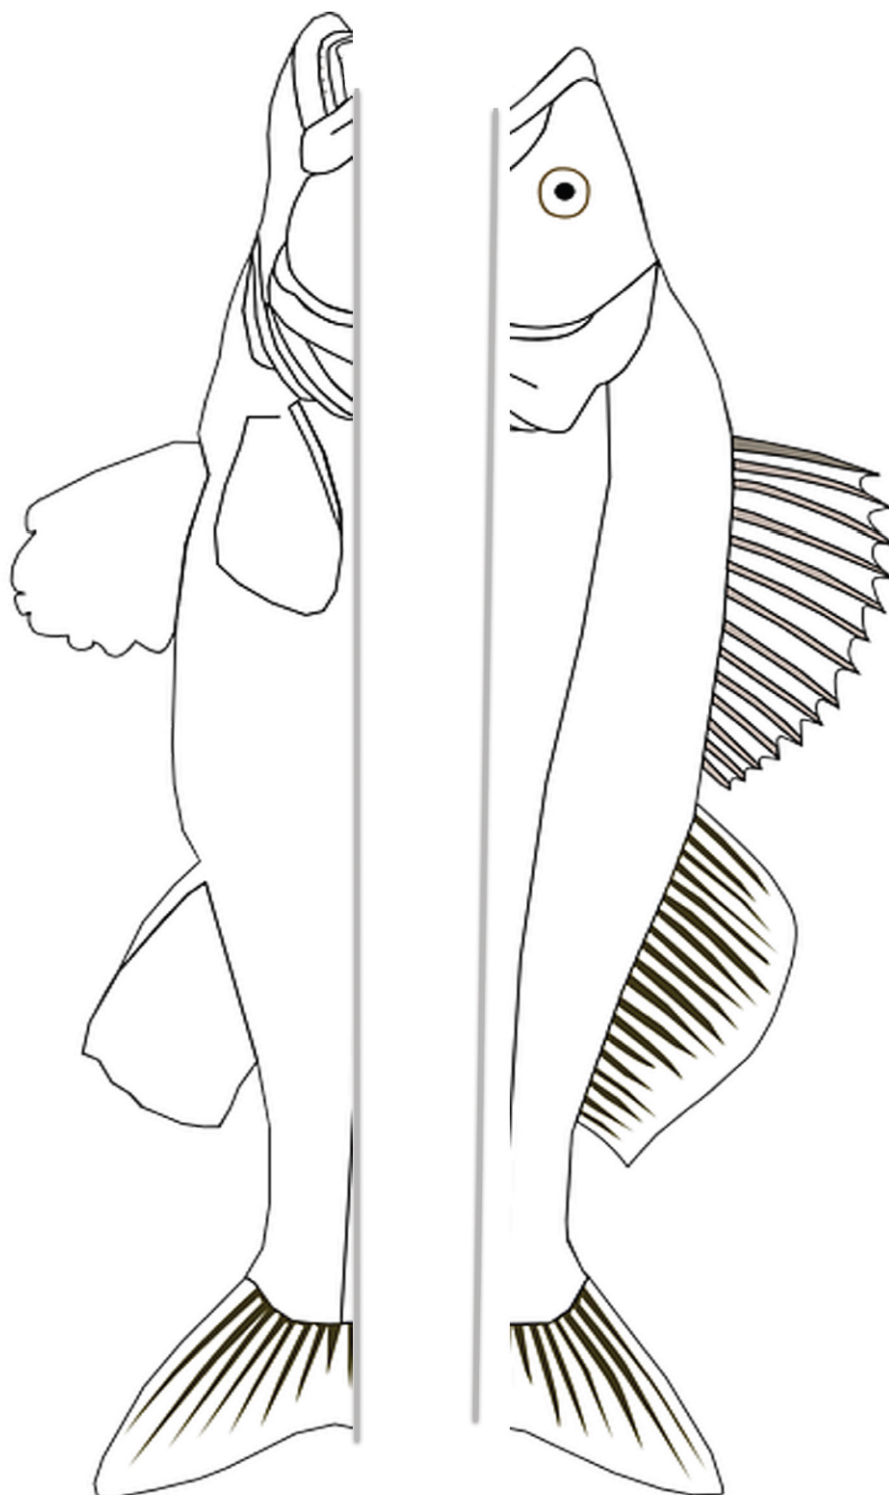

To make

- Print out the A4 sheet with the two halves of pike on it.
- Colour them in and carefully cut them out.
- Cut out a coloured piece of paper that is 20cm wide and as long as the bottom edge of the top pike template piece.
- Fold the coloured paper into a concertina.
- Glue the top long edge of the concertina to the back of the top half of pike template
- Glue the bottom long edge of the concertina to the back of the bottom half of pike template.
- Fold up the concertina.
- Take hold of the top half of pike and the bottom half and pull apart gently to open Pike's mouth.
