

South Downs National Park Authority 1APP Review: Local List of Requirements for Planning Applications

The Local List of Planning Requirements below sets out the documents that will be required to be submitted to the South Downs National Park Authority as part of your planning application. Please note that you will still need to also submit the relevant documents and forms that are contained within the National List of Planning Requirements. The National list can be found by using the following link:

<https://www.gov.uk/guidance/making-an-application#Validation-requirements-for-planning-permission>

Notes

Links to South Downs Local Plan policies will be included following adoption of the Plan. In the meantime, all policies in the Submission Local Plan may be found here <https://www.southdowns.gov.uk/planning/national-park-local-plan/>

For the purposes of the Local List, the definition of Major Development is as set out in the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
