TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)

**ENFORCEMENT NOTICE
MATERIAL CHANGE OF USE**

**ISSUED BY: CHICHESTER DISTRICT COUNCIL ("the Council")
on behalf of the SOUTH DOWNS NATIONAL PARK AUTHORITY ("the
SDNPA")**

REFERENCE NUMBER: CP/11

1. **THIS NOTICE** is issued by the Council on behalf of the SDNPA because it appears that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. The Council considers that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

Land at Hucksholt Farm, Compton, Chichester, West Sussex PO18 9NS ("the Land"), shown edged red on the attached plan ("the Plan").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission, the material change of use of the land to the stationing of a mobile home for the purposes of human habitation.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last four years.

The Land is situated in the South Downs National Park. The SDNPA has the following statutory purposes and socio-economic responsibilities, as specified in the Environment Act 1995.

1. To conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
2. To promote opportunities for the understanding and enjoyment of the special qualities of the Park by the public.

Working in partnership with other Local Authorities and other organisations, it is also the duty of the SDNPA to seek to foster the economic and social well-being of the local communities within the National Park.

The Land lies in a rural location within the South Downs National Park (SDNP) where there is a statutory duty to conserve and enhance the landscape and natural beauty of the area and where policies in the Development Plan seek to strictly control development unless there is a proven need. The aims of these policies are supported by the Government's National Planning Policy Framework (NPPF) which reintroduces the presumption in favour of sustainable development. However, this is not an unconditional presumption and makes it clear that development must be sustainable.

The stationing of a mobile home on Land at Hucksholt Farm for the purposes of human habitation constitutes an unsustainable and inappropriate form of development for which there are no special circumstances to justify retention of the mobile home as an exception to normal policies of restraint. The development results in the creation of an isolated residential use away from any defined settlement in an unsustainable location where there will be a reliance upon the use of a private motor car; and where, within the designated countryside, the principle of residential development is only justified in exceptional circumstances. The Council is not satisfied that this form of development is reasonably necessary for the purposes of agriculture within the unit which would outweigh the harm identified in this case; and no evidence has been produced to demonstrate there is an essential need for a rural worker to live permanently at the Land.

The development detracts from the existing rural character and appearance of the area by reason of its siting and remote location and the introduction of residential activity within the Land. The development does not conserve and enhance the landscape character of the National Park, in particular its relative tranquillity and dark night skies. For these reasons, the proposals are contrary to policies SD1, SD4, SD5, SD6, SD7, SD8 and SD19 of the South Downs Local Plan 2014-2033 and paragraph 176 and Section 15 of the National Planning Policy Framework.

The Council does not consider that planning permission should be granted, because planning conditions could not overcome these objections to the development.

5. WHAT YOU ARE REQUIRED TO DO

- (i) Discontinue the use of the Land for the stationing of a mobile home for the purposes of human habitation and
- (ii) Remove the mobile home from the Land.

6. TIME FOR COMPLIANCE:

Six months after this notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on 17th October 2023, unless an appeal is made against it beforehand.

Dated: 5th September 2023
