

2024 South Downs Design Awards

SOUTH DOWNS
NATIONAL PARK

Sponsorship Opportunities

The South Downs National Park Design Award is an opportunity for The Authority to promote outstanding and innovative design in the National Park. It will celebrate high standards of urban, architectural and landscape design, as well as promote creativity and understanding of the National Park through design.

The Awards will recognise and promote high standards of design, and raise awareness of the positive contribution that good design can make to the quality of our local environments. It's an opportunity for the National Park to reward developments where extra thought and care has been taken to make a difference.
