IMPORTANT - THIS COMMUNICATION AFFECTS YOUR PROPERTY

TOWN AND COUNTRY PLANNING ACT 1990
(as amended by the Planning and Compensation Act 1991)

**ENFORCEMENT NOTICE
MATERIAL CHANGE OF USE**

**ISSUED BY: CHICHESTER DISTRICT COUNCIL ("the Council")
on behalf of the SOUTH DOWNS NATIONAL PARK AUTHORITY ("the
SDNPA")**

REFERENCE NUMBER: LG/27

1. **THIS NOTICE** is issued by the Council on behalf of the SDNPA because it appears that there has been a breach of planning control, within paragraph (a) of Section 171A(1) of the above Act, at the land described below. The Council considers that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

Land north of Blind Lane, Lurgashall, West Sussex, GU28 9EP ("the Land"), shown edged red on the attached plan ("the Plan").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission the material change of use of the Land to a use of the stationing of caravans for the purposes of human habitation.

4. **REASONS FOR ISSUING THIS NOTICE**

It appears to the Council that the above breach of planning control has occurred within the last ten years.

The Site is situated in the South Downs National Park. The SDNPA has the following statutory purposes and socio-economic responsibilities, as specified in the Environment Act 1995.

1. To conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
2. To promote opportunities for the understanding and enjoyment of the special qualities of the Park by the public.

Working in partnership with other Local Authorities and other organisations, it is also the duty of the SDNPA to seek to foster the economic and social well-being of the local communities within the National Park.

The Land lies in a rural location within the South Downs National Park (SDNP) where there is a statutory duty to conserve and enhance the landscape and natural beauty of the area and where policies in the Development Plan seek to strictly control development unless there is a proven need.

The aims of these policies are supported by the Government's National Planning Policy Framework (NPPF) which reintroduces the presumption in favour of sustainable development. However, this is not an unconditional presumption, and it makes it clear that any proposals for development within the countryside must be determined in accordance with the development plan, unless material considerations indicate otherwise.

To protect the landscape, character, quality, and tranquillity of the countryside it is essential to prevent inappropriate development. The site lies within a relatively isolated and visually sensitive rural position within the South Downs National Park. The significant excavation of the agricultural field and the engineering of the ground to create a levelled area, together with the laying of a membrane and the importation of hard-core materials, to lay a hard surface, introduces an urban form of development. In addition, the introduction of caravans for the purpose of human habitation, the importation of portable toilets and incidental development results in unacceptable urbanisation of this sensitive rural landscape, causing demonstrable harm to the defining characteristics and visual qualities of this part of the South Downs National Park.

The development has a harmful effect on the character and appearance of the area having regard to the landscape and scenic beauty of the SDNP. It conflicts with the requirements of Local Plan Policy SD1 which seeks to ensure sustainable development. In addition, it would conflict with Local Plan Policies SD1, SD2, SD4, SD5, SD7, SD10, SD19, SD25 and SD33 which together seek to secure development which is sensitive to landscape character, and which would conserve and enhance relative tranquillity. The hard surface is of an excessive scale and significantly erodes the landscape character and scenic beauty of the area and SDNP, and the site is bounded by large earth bunds which introduces alien, engineered features to the Land. The site is located in open countryside with poor access to local services and so conflicts with the provisions of the PPTS. In terms of tranquillity, the development has involved the introduction of urbanising features to the landscape including hardstanding and caravans which do not relate well to the locale. The development also conflicts with the provisions of the Framework that are aimed at conserving and enhancing nationally designated landscapes. This purpose is enshrined in legislation and so is afforded great weight when considering the planning balance.

The Site is located within the Sussex North Water Resources Zone, within 6.5km of the Ebernoe Common SAC and within 12km of the Mens SAC. No evidence has been advanced to demonstrate that the integrity of these sites will not be adversely affected by the development.

The Government's 'Guidance for relevant authorities on seeking to further the purposes of Protected Landscapes', published 16 December 2024, sets out that this duty is active not passive and that, as far as is reasonably practicable, 'relevant authorities should seek to avoid harm and contribute to the conservation and enhancement of the natural beauty, special qualities, and key characteristics of Protected Landscapes.' It is therefore incumbent on the National Park Authority, as the Local Planning Authority, to give significant weight to the S.245 duty when carrying out the planning balance.

The Council does not consider that planning permission should be granted, because planning conditions could not overcome these objections to the development.

5. WHAT YOU ARE REQUIRED TO DO

Steps required to secure compliance:

- (i) Cease the use of the land for the stationing of caravans for the purposes of human habitation;
- (ii) Remove the caravans from the Land;
- (iii) Remove the portable toilets from the Land;
- (iv) Remove the motor vehicles from the Land;
- (v) Break up and remove the hard surface (including the imported membrane and hard-core materials) identified on the Plan from the Land;
- (vi) Using the spoil which forms the earth bunds identified on the Plan, infill the excavated area on which the hard surface was formed and level the Land to its original form;
- (vii) Remove the cesspit from the Land and infill the excavated area using the spoil which forms the earth bunds identified on the attached Plan;
- (viii) Following compliance with steps (v)-(vii) above, re-seed the Land with grass.

6. TIME FOR COMPLIANCE:

Four months after this notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on 20th June 2025, unless an appeal is made against it beforehand.

EXPLANATORY NOTE

YOUR RIGHT OF APPEAL

There is a right of appeal to the Secretary of State (at The Planning Inspectorate) against the notice. You can appeal against this Notice, but any appeal must be received, or posted in time to be received by the Secretary of State before the date specified in paragraph 7 of the Notice. **Please see the enclosed information sheet from The Planning Inspectorate which tells you how to make an appeal.**

The Planning Inspectorate produce a booklet entitled "Making your Appeal" which sets out your rights and the procedure to be followed. You can obtain this booklet either from Planning Inspectorate or from their Customer Support Unit by phoning 0117 3726372. The grounds on which an appeal may be made are set out in section 174 of the Town & Country Planning Act 1990. You will find an explanation of the grounds in the "Making your Appeal" booklet.

Under section 174 of the Town and Country Planning Act 1990 (as amended) you may appeal on one or more of the following grounds (not all of these grounds may be relevant to you)

- (a) that, in respect of any breach of planning control which may be constituted by the matters stated in the notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged;
- (b) that those matters have not occurred;
- (c) that those matters (if they occurred) do not constitute a breach of planning control;
- (d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;
- (e) that copies of the enforcement notice were not served as required by section 172;
- (f) that the steps required by the notice to be taken, or the activities required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;
- (g) that any period specified in the notice in accordance with section 173(9) falls short of what should reasonably be allowed.

If you decide to appeal, when you submit it, you should state in writing the ground(s) on which you are appealing against the enforcement notice and you should state briefly the facts on which you intend to rely in support of each of those grounds. If you do not do this when you make your appeal the Secretary of State will send you a notice requiring you to do so within 14 days.

FEE PAYABLE FOR THE DEEMED APPLICATION

If you appeal under Ground (a) of Section 174(2) of the Town and Country Planning Act 1990, this is the equivalent of applying for planning permission for the development alleged in the notice. You should pay the fee by debit/credit card to the Customer Services Team at Chichester District Council on 01243 534734, which in the case of an enforcement appeal is **double** the amount for a normal planning application fee. Please see the attached Chichester District Council's Development Control Fees Schedule for a guideline on the **single** "deemed application" fee (also available on webpage https://ecab.planningportal.co.uk/uploads/english_application_fees.pdf). Once the Ground (a) appeal has been submitted, please contact the Planning Enforcement Team either by email planningenforcement@chichester.gov.uk or telephone 01243 534734 to confirm the amount of fee payable.

The fee payable to the Local Planning Authority is £1148.00. Payments can be made by Debit Card by calling the Customer Services Team on 01243 534734.

No fee is payable where the person who has appealed against the relevant enforcement notice had—

- (a) before the date when the notice was issued, made an application to the local planning authority for planning permission for the development to which the relevant enforcement notice relates (and had paid to the authority the fee payable in respect of that application); or
- (b) before the date specified in the notice as the date on which the notice is to take effect, made an appeal to the Secretary of State against the refusal of the local planning authority to grant such permission,

and at the date when the relevant enforcement notice was issued that application or, in the case of an appeal, at the date specified in the relevant enforcement as the date on which the notice is to take effect, that appeal had not been determined.

WHAT HAPPENS IF YOU DO NOT APPEAL

If you do not appeal against the Enforcement Notice, the Notice will take effect on the date specified in paragraph 7 indicated above and you must then ensure that the required steps for complying with it, and for which you may be held responsible are taken within the period/s specified in paragraph 6 of the Notice. Failure to comply with an enforcement notice that has taken effect is a criminal offence and can result in legal proceedings and or remedial action by the Council.
